# RECORDS OF THE OKLAHOMA UNION SOLDIERS HOME

The Oklahoma Union Soldiers Home was closed in 1933 and all records were transferred to the 'OKLAHOMA MEMORIAL HALL" located in the Oklahoma Historical Society. The Memorial Hall was disbanded in the 1970s and all records were placed in the Archives Division.

Included in the records are pension requests, GAR membership applications, and military discharges. Residents of the home were veterans of the Civil War, Spanish-American War and World War I. Widows and mothers of veterans were also eligible for the home.

This catalogue is a listing of residents of the Union Soldiers Home, alphabaetized by last name who served in Illinois units during the Civil War.

The categories used are:

| | | |
|---|---|---|
| Last Name | First Name | Date of Birth |
| Place of Birth | Date of Enlistment | |
| Place of Enlistment | Military Unit | |
| Dishcharge Date | Place of Discharge | |
| Reason for Discharge | Pension Number | |
| Residence | Occupation | |
| Date of Death | War | |

The Widows and Mothers are listed in parenthises after the last name and the name of the veteran is in parentheses after the first name.
